### Another Concrete Building For Sonoma Business District

### Entertained At El Verano Following Wedding In Oakland

#### PIONEER FRENCH LAUNDRY IS TO HAVE NEW HOME

P. Lembeye Will Erect Modern Concrete Structure on His Property on Napa Street.

That Sonoma City is growing and improving along substantial lines is again evidenced by the announcement this week that P. Lembeye, owner of the local French Laundry, has decided to erect a two story concrete building on his property at the corner of Napa Street and Third Street West, near the St. Francis church.

The modern building, plans of which are now in preparation will house the laundry plant which is to be up to date in every detail and the upper floor will be designed as attractive living quarters.

Mr. Lembeye is among our most progressive business men and believing in the future of Sonoma Valley, some time ago purchased from the Tynen heirs the attractive corner which he will improve early in the spring. "The town is growing this way," says Mr. Lembeye, "and it will not be long until more buildings will go up between my corner and the present downtown section."

#### MISSION CARETAKER WILL RECEIVE PAY

Arrangements have been made by State Board of Control member, H. R. Braden, whereby a small monthly salary will be paid the caretaker at the Sonoma Mission, which landmark is owned by the State of California. Negotiations have been pending for some time and in consequence the capable caretaker, Mr. Borie, will receive a nice little sum in back pay. Each year the Mission grows in importance on account of the thousands of people who visit Sonoma during the summer and who inspect the old Mission which was the last of the Missions built at the northern end of El Camino Real.

#### SEEK HIT AND RUN MOTORIST

A motorist who struck and demolished a car belonging to Harold Duffy, formerly of Boyes Springs on last Saturday night is being sought by local officers following his get-away after the accident.

The accident was reported to Deputy Sheriff Joe Ryan, who discovered that the hit and run motorist had abandoned his own car in which liquor is said to have been found. He escaped with a cut hand—one of the hoped-for means of identification.

The following morning Jep Valente was hailed by a passenger at Sears Point and his description tallying with the offender, the sheriff's office at San Rafael was notified. The officers had deputies awaiting the train which the man took, evidently for Sausalito, but he is said to have gone to Mill Valley and thus eluded them.

#### Fresno Wants The S. F. Seals Training Camp

Sonoma Valley has a rival in Fresno. The Raisin City is trying to take the Seals base ball training camp away from the Valley of the Moon. The Seals have trained at Boyes Springs for years and pronounced it the best training camp in the West. In fact, all the ball players love our valley so that they come here year in and year out, in and out of training season. And we have grown to love the Seals, too, and look for them like the early spring flowers. Surely Doc Straub and Charley Graham will not turn Sonoma down and take a chance on the raisin as a mascot. The Valley of the Moon has turned out some good material in the past and the new ball field will be put in tip-top shape for the 1925 training season if the Seals say so. We want the Seals.

#### ANOTHER PIONEER IS CALLED TO ETERNITY

Another pioneer has crossed the Great Divide and joined the silent majority. In the passing of Ben Chambers, beloved father of B. H. Chambers, formerly of Boyes Springs, Sonoma has lost one of its real old timers. The last sad rites for this pioneer father were said in Oakland and friends mourn his passing.

Deceased had attained the honored age of 82 years and was mentally alert and active up to a few months of his death. Last year he was in Sonoma for the Mission Centennial and was greatly enthused over the celebration of pioneer days. He recalled the year 1852 when he arrived in this valley via ox team from Missouri, his native state. It was here that he settled on the old Sears ranch and became proficient in the Spanish language under the tutelage of Mrs. Fowler, attending school where the present Yenni adobe is located.

Later he acted as interpreter for General Vallejo, often going with the General on horseback to make trades in cattle or to attend to other business. He was a lover of fine horses and the Mexican saddle gaily caparisoned, fascinated him as he declared to friends while here at the Centennial.

In the years after he left Sonoma Mr. Chambers became quite a political power and held several important positions. In 1879 he had a job at San Quentin prison and was entrusted with the moving of 48 prisoners to the then new prison of Folsom, which was the nucleus of the present big penitentiary there. He was acting warden until the time of Warden Ames, and later returned to San Quentin.

After severing his connection with prison work Mr. Chambers was employed at the United States mint as a cutter and there remained for four years.

Ultimately he went to ranching on the Sacramento river, following rural activities until his retirement a number of years ago.

Seven years ago his wife preceded him to the Great Beyond, leaving

#### American Legion Would Support Institution For Dependents In California

Mrs. Eliza Shepard of Glen Ellen, area and took in all the leading cities delegate to the National Convention of the Middle West and East. While of the American Legion Auxiliary at away she met Mr. Davis, Democratic St. Paul, Minn., has returned from an extended tour of leading centers of the United States and brings back the good news that California is in line for national support of an orphanage for World War veterans' children, provided this state provides a site and building for the institution. Mrs. Shepard realizing the necessity of providing a home for orphans of California veterans, will give her time and influence to the consummation of the splendid project and has, furthermore, impressed national workers interested in the philanthropy that Sonoma Valley is the place for the American Legion's orphans' home. While in the East she visited the children's home at Otter Lake, a similar institution, and got much valuable data.

Mrs. Shepard's trip covered a wide way from 50c to \$5 each to hear him. The Sonoma traveler visited Niagara Falls, Detroit, Boston, Cambridge, New York, Washington and was entertained in the South by Mrs. Kate Barrett, noted Peace Conference delegate.

Mrs. Shepard had the honor to be tendered the nomination for national president of the Auxiliary at the St. Paul convention, but declined despite the great compliment paid her. She returns home in excellent health and encountered delightful weather during her visit East, which made her trip throughout a most enjoyable one.

#### LOUSTALET PROPERTY DEAL IS CONSUMMATED

W. W. Carter, local realty man, has consummated the transaction whereby P. Loustalet has sold the Standard Oil service station site on Napa street to A. Chelini and A. Picchi, local business men. The property has a frontage of 139 feet on Napa street and has a depth of 294 feet.

The Standard Oil Company's lease runs three years with an option to renew at the end of that time.

#### U. C. GLEE CLUB GIVEN OVATION HERE

The University of California Glee Club, led by Brick Morse, famous for more than two decades as harmony king and impressario of the college world, were given a big ovation at the Sonoma High School auditorium last Saturday evening. "Old Man Morse ain't what he used to be" in years, perhaps, but he is still there a million when it comes to getting harmony out of young collegians.

The program was brimful of good music, dancing and clean cut fun. The favorite college songs, such as "Hail California," brought a thrill to all the old grads present and enthused the audience in general. Over twenty young men comprised the harmonious aggregation and among their number were many clever soloists including a lyric tenor, violinist, dancer, and jazz pianist, all real artists.

The Scotch songs and impersonations of Meryl Bish (our own Meryl who is one of the Glee Club) won for the former Sonoma High School student repeated encores and a curtain call. Bish, now renowned as a Camp Curry entertainer and radio singer of the Harry Lauder type, expressed great pleasure in again appearing before his old friends of the Sonoma Valley.

Following the grand finale an informal reception was given the Glee Club and their leader at the Domestic Science building by the U. C. al-

#### PROMINENT HONOLULU MAN AT FETTERS

John F. Doyle, resident of Honolulu an disinterested with the pineapple industry of Honolulu, is charmed with the beauties of Fetters Springs and instead of a week Mr. and Mrs. Doyle have changed their minds and will spend a month in the beautiful Valley of the Moon, so delighted are they with the effect of the mineral baths, the bracing air and the homelike atmosphere of Fetters Springs Hotel.

#### GEORGE CROWE ACCEPTS NAPA COUNTY POSITION

George C. Crowe, who has been prominent in local promotion work and an officer in the Parent-Teachers' Association here, has accepted the position of secretary of the Napa County Farmers' Alliance. Mr. Crowe should prove invaluable to the Napa County farmers for he is an earnest worker and has not only a wide knowledge of conditions affecting the welfare of California, but has a wide acquaintance among prominent men of the state interested in rural development. Sonoma Valley's loss is Napa's gain.

umni of Sonoma Valley. Refreshments prepared by the young lady high school students were served and there were words of greeting by A. R. Grinstead, Walter Bundschu, C. G. Murphy and other graduates of U. C. with response by Bill Cowan of the Glee Club, son of Attorney William Cowan of Santa Rosa, and others. The hospitality and good fellowship accorded the visitors by Sonomans was quite evidently appreciated and was arranged for by Attorney A. R. Grinstead.

Among Sonomans participating were former U. C. students: Mr. and Mrs. Al Luchsinger, W. B. Bundschu, Ed Clements, C. G. Murphy, Edith Hoag, Mildred Golton, A. R. Grinstead, R. C. Specht, William Smith. Elinor Smith and George Crowe.

#### Candidates For President and Volstead Views

The three candidates for president are often discussed relative to their sentiment on the Volstead Act a real issue despite the fact that party platforms have dodged it. The paper published by the Association Against the Prohibition Amendment gives us some real light on the candidates' views as follows: "It was President Coolidge, not this Association, who said, 'To attempt to drag the body when the need is to convert the soul, will end in revolt', and it would be an insult to the intelligence of the president to suppose that he could have made such a statement without applying it mentally to the Volstead Act." Senator LaFollette, the paper says, has dodged the issue with an assiduity unexcelled by his opponents and through his influence in favor of candidates committed to support the prohibition laws. There you are.

#### LOCAL TALENT 'N' MINSTREL FANTASY

Negro life down on the old plantations of the South will be depicted in "A Jolly Time In Dixie," the clever minstrel fantasy being prepared under the direction of Mrs. C. Burlingame for the Congregational church entertainment November 14th. The following big cast will put on the show, some taking the part of the fun-loving darkies and others depicting the white folks of the old South: Uncle Joe—R. C. Bancroft. Aunt Dinah—Carrie Burlingame. Melissie Brown—Mrs. W. Smith. Clarabelle Simpson—D. Bancroft. Euphemia Jackson—Miss Mildred Erickson. Lily Snow—Mrs. R. Hotz. Aunt Sukie—Mrs. F. Edgington. Uncle Ned—George Crowe. Sambo—Glenn Ehlers. Bambo—Cecil Hunter. Rufus—Herbert Tracey. Rastus—Bill Smith. Adolphus Josephus Nightingale—George Angove. Julius Jackson Jones—Roy Bill. Parson Johnson—R. A. Dow. Topsy—Mrs. E. Clements. Joie—Edwin Burmester. Sissy—Lenore Clements. Colonel Sid Holbrook—H. D. Burmester. Missus Holbrook—Mrs. Burmester. Mars' Clyde Holbrook—Lyle F. Campbell. Aunt Celina Holbrook—Mrs. R. C. Bancroft. Mars' Jim Hawkins—Spencer Merz. Little Eva—Lucile Sutherland. Negro spirituals now so popular, will be sung in chorus and there will be solos and stunts by various talented members of the plantationists.

SID "POVERTY" AMBER  
CONDUCTING A SALE

Sid "Poverty" Amber, who conducted a whirlwind sale here last year, has again come to the aid of H. F. Bates and will feature a bargain-fest which will be a surprise to Sonoma Valley shoppers. See ad for particulars of this big event.

#### WEDDING BELLS RANG FOR HAPPY COUPLE TUESDAY

Miss Mamie Walsh Married to Peter J. Kelly In Oakland Tuesday; Reception Here Later.

Miss Mamie E. Walsh, former Sonoma girl and niece of the Kearney family, was married last Tuesday morning at 8:30 to Peter J. Kelly in the St. Francis de Sales church, of Oakland. The ceremony took place in the presence of many relatives and friends, the church being tastefully decorated for the occasion in ferns, palms and chrysanthemums.

The bride, attended by her cousin, Miss Irene Dowdall of El Verano, came down the aisle to the strains of the Lohengrin wedding march, played by Miss Kane of Oakland. At the altar the groom and his best man, Jack Hogan of San Francisco, awaited them, with Bishop Keane, old time friend of the Kearney family, who performed the ceremony assisted by Rev. Father Commerford, formerly of St. Francis church, and Rev. Fathers Moriarity of Oakland, Flaherty of Oakland and Glaude of Sonoma. During the impressive rites Miss Rose of

#### HARVEST \$100,000 BULB CROP HERE

It has been unqualifiedly demonstrated that Sonoma Valley land will grow bulbs successfully, for this week the Diener Bulb Company, which had the R. E. Murphy acreage planted to gladioli and other bulbs, has been harvesting a \$100,000 crop. The bulbs were a success beyond their greatest expectations, considering the dry year and late start in planting. Nine men have been engaged in digging the bulbs.

Diener, who is a wizard at bulb culture and has originated several new varieties of gladioli, takes formal possession of the Murphy property, which he has purchased, on January 1st.

#### WHITE SHELL CLUB WAS ENTERTAINED AT RINCON

Mrs. Sam Strong and Mrs. James Strong were joint hostesses to the White Shell Club on last Friday afternoon at the beautiful home of Mrs. Jim Strong at Rincon Valley. At 1 p. m. an elaborate luncheon was served, the menu consisting of chicken soup, combination salad, chicken pie, mashed potato, cranberries, frozen pineapple with whipped cream, cake and coffee.

Members enjoyed music in the afternoon and were otherwise entertained in the prettily decorated home where yellow and white flowers carried out the club colors.

Those present were Mesdames L. McElroy, F. Helberg, W. Hall, F. Joost, A. Davis, E. Cliff, C. Jensen, E. Steiger, S. Strong and J. Strong.

Rainfall for the season in Sonoma Valley up to yesterday totaled 4.72 inches.

# EL VERANO NEWS

By ARCHIBALD McKIVER

On next Tuesday, November 4th, the voters of this nation will be called upon to select a leader for four years. Coolidge, who holds the office through the death of President Harding, is the Republican nominee, while LaFollette, the Wisconsin senator, is the third party candidate. Davis is the Democratic nominee, and is this week making an effort to land New York state for the Democrats. If he can do this, with the assistance of Governor Smith he has as good a chance as his two opponents. Senator LaFollette will, without a doubt, get a big vote, and if all vote as they say, will surprise the old parties. It is very probable that this election will be thrown into the House of Representatives and one of the candidates for vice president will be chosen president. The polling place for Tuesday's presidential election in El Verano precinct will be at the pool room. The election officers are T. H. Baines, D. W. Corbin, Emmet Mullen O. T. Wilkinson, George Weaver and Miss Irene Dowdall. To vote the LaFollette and Wheeler independent ticket the Socialist column of thirteen electors will be used. A cross stamped in the square shall be counted a vote for each name in the group.

William Wyatt, Sr., after spending several days transacting business in Santa Rosa, returned home Tuesday. The rainfall up to Tuesday morning at 8 a. m., taken by Station Agent

Gale of the S. P. Company, was 3.94 inches. Last year on the same day, rainfall measured 1.48 inches.

Garry Wright, train master for the S. P. Company at Suisun, passed through El Verano Sunday evening, enroute to Santa Rosa.

Mrs. John Andrews and daughter, Mrs. F. Venton of Oakland were guests at the Charles Baines home the first of the week.

Miss Beth Lane, after spending two week end with Sonoma folks, returned to the University of California at Berkeley Monday morning.

Mr. and Mrs. Lippi held their paper anniversary, one year married, last Sunday night at their San Francisco home. Many friends assembled at the residence and enjoyed a turkey dinner, with entertainment, dancing and music. Milton Peterson of El Verano and Bud Batto were well known locals who attended. The Lippi vacation each year at their summer home at Verano and have many friends in Sonoma Valley. The writer congratulates the happy couple on their first year's voyage on the sea of matrimony.

Bob LaFollette, third party independent candidate for president, is the first nominee that the public has ever paid to hear, either him or his campaigners, orate on the issues of an election. All LaFollette meetings have an admission fee and the halls have been packed to overflowing while the old parties have difficulty in getting an audience with free admission. At this writing it looks as if the LaFollette and Wheeler ticket will carry big in California.

Harold Carriger of Richmond returned via the S. P. Tuesday morning to his home after a successful duck hunt among the tules at Schellville.

A 45 pound bass was landed at Camp 6 near Wingo, by a San Francisco angler Sunday.

George Cornelius of San Francisco is at Wingo to spend the winter on his floating ark in the wilds of the tules, where he will fish and hunt until the good old summer time again rolls around.

Tony Mezzero, owner of the Penn-grove Hotel, who was arrested by Deputy Sheriffs Holmes and Dickson and E. E. Westphal, who raided his place and secured a quantity of brandy, was fined \$300 by Judge Vaughan of Santa Rosa. The officers dug up four gallons of liquor buried in a garage near the hotel.

Mr. Herbert and Miss Ammann motored to Vallejo on Navy Day (Monday) and enjoyed the exercises at Mare Island.

George Crowe of Sonoma has been appointed secretary of the Napa County Farm Bureau and will assume his duties at once. Crowe is a graduate of the U. C.

Mrs. J. N. Beach of Sonoma Vista spent the week end with relatives in San Francisco.

Supreme Justice Emmet Seawell and Congressman Lea were attending the Father Cassin golden jubilee in Santa Rosa Saturday evening. Both orators delivered a tribute to the veteran Santa Rosa padre. Archbishop Hanna also paid tribute to the great priest and his untiring work for the cause of Catholicism. Father Cassin was presented with a purse containing \$3000 in gold.

Dudley Malone, famous orator, who is making a whirlwind campaign in the principals cities of the country for the LaFollette and Wheeler ticket, is billed to appear in Santa Rosa November 3rd. Rudolph Spreckels, California's leader of the third party, spoke to a large crowd of Santa Rosa LaFollette followers last Saturday evening.

William Sutter of San Quentin, a guard, was in town last Saturday visiting his mother and meeting the natives about town.

William Chance, while cleaning a well at his father's place last week suffered severe injuries to his hand when a large rock broke loose from the siding and fell, narrowly missing Mr. Chance's head and striking him on the hand. He was knocked over by the force of the blow. Fellow-workmen assisted him from the well,

which was 30 feet deep.

Tonight (Saturday) is the Native Daughters' annual dance at Union Hall, Sonoma. Preparations have been made to welcome one of the largest crowds of dancers at the beautiful decorated hall, and pretty Native Daughters will receive their guests and see that all enjoy a pleasant evening. Many tickets have been sold and parlors from neighboring cities will be represented. Fine music has been engaged and a big time is in store for those attending.

C. C. Casey, ex-convict recently convicted of burglarizing the Sebastopol Apple Growers warehouse, was sentenced by Judge Ross Campbell at Santa Rosa last Friday to serve from one to fifteen years in the state penitentiary at Folsom. He was taken to Folsom Saturday by Sheriff Boyes and Deputy Sheriff Holmes. His wife and family passed through here on Saturday morning's train enroute to their home at Brawley, having been in Santa Rosa attending the trial.

The high school news items contributed by students of the school, are being read with interest and the

young scribes are being congratulated on their newsy column.

Mrs. McGill, who suffered a relapse at the death of her husband, Alexander McGill, last week, is reported as somewhat better. Her son is also improved, although both have been very ill. Another son, Robert McGill, recently met with an accident while alighting from a train.

Mrs. H. D. Burmester, alternate, who attended the Grand Chapter of O. E. S. at Pasadena, has returned home. Mr. Burmester and son accompanied her.

Sheriff John Boyes and several deputies were in El Verano last week on official business.

Pat McMullen, proprietor of the Hotel Chauvet at Glen Ellen, is contemplating retiring from the hotel business in that city and with his wife will go to San Francisco to reside. Mr. and Mrs. McMullen have long been active workers in the Glen Ellen Women's Improvement Club.

Local hunters have oiled up the old shotguns and are ready for the quail season, which opened today. It is reported that the birds are numerous.

Under the late President Wilson the country was asked to league itself with other nations to make the world safe for democracy. Now we are confronted with the task of making democracy safe for the world, the democracy that Senator LaFollette would champion as President and would like to see replace our present institutions. Every malcontent and element of discord and dissatisfaction and every advocate of the "world owes me a living" system is behind LaFollette's campaign and would chance the breaking of the American Ship of State on the rocks in order to get a new deal. ## A Service That Met The Test

THREE main factors enabled the Pacific Gas and Electric Company to weather the long drought without any shortage of power, and, at the same time, to supply an increased demand amounting to twelve per cent, and to give service to 21,338 new consumers.

1. The efforts of a devoted and efficient organization.

2. Co-operation for the public benefit among the power companies of California.

3. Diversity of demand in its wide territory built up through the years by foresight and initiative, and making possible the maintenance of large auxiliary plants without unduly burdening the ratepayers.

Factories, mines, farms, railways, stores and homes, pulling on the lines together,

PACIFIC GAS AND ELECTRIC COMPANY  
7-1024

this summer put Pacific Service to the most severe test it ever encountered; but it met every call and steadfastly maintained its high standard without any increase in rates.

That achievement means much to the public in terms of industrial and agricultural prosperity and domestic comfort. For years the P. G. and E., always looking ahead, had prepared for such a test; and when the emergency came Pacific Service met that test. Next season another mighty plant—Pit No. 3—will come into play and the company has no fear for the future.

The Pacific Gas and Electric Company has 11,600 employees and 30,000 owners, nearly all Californians. This company is a true servant of the public, on the job in all seasons and at all hours.

## EL VERANO NEWS

(Continued from Page Two)

ous and our huntsmen are going after the limit.

A large number of friends and neighbors of the late Alexander McGill attended the funeral at Sonoma last Saturday, and El Verano mourns the passing of this old pioneer resident. After the services at the Congregational church the large cortege followed deceased to his last resting place in Mountain Cemetery. The pall bearers were B. Keechler, Joseph Revie, William Kearney, Vic Leveroni, F. Joost and Joe Ryan.

Henry Norrbom and family have returned from a delightful visit to Los Angeles where Mr. Norrbom attended the Masonic Convention as a delegate from Sonoma Lodge. They also visited the many scenic wonders of the southern city, which they thoroughly enjoyed. During their stay in Los Angeles they were guests of Paul Norrbom, a brother of our local townsman.

County Superintendent of Schools Louise Clarke and Miss Ethel McAuliffe and Mrs. Agnes W. Morton of Kenwood left Santa Rosa last Saturday morning for a two weeks motor trip through the southern part of the state. The party plan on visiting all places of interest on the trip and will go as far as San Diego.

Mrs. Carner of Benicia has been visiting Sonoma Valley relatives.

George Matsen of San Francisco spent several days recently at the Jensen home.

Mr. Rees of Iowa has rented the McAuley poultry ranch and with his wife and family will take possession November 1st.

Mrs. William Preston, who has been in San Francisco, was here for several days this week.

Henry Danielli and Arthur West, leading Beau Brummels motored to San Francisco Sunday in the former's new little red road hound. The new benzine buggy is a dandy, and is being looked over by local automobile enthusiasts.

The great Barnes circus, after appearing in Santa Rosa, passed through El Verano Tuesday morning, enroute to Napa. The howling animals got the small boys out of bed, and they viewed the long string of cars and two engines before the circus train pulled out of town.

Mr. and Mrs. John Love of Antioch Arthur McGill of Petaluma and Richard McGill of Eureka, who were here for the funeral of their father, Alexander McGill, are spending the week at the McGill home.

Amendment No. 7, legalizing 12 round boxing and wrestling matches and appointing a state athletic commis-

sion, is popular in Sonoma Valley and already followers of boxing have signified their intention to vote strong for the 12 round shows. In New York City the 12 round game has been flourishing and a success, large purses being paid the big boxers to show their stuff. If this bill carries, mitt slingers of champion calibre will be seen in action in the Golden State. It will do away with the many amateur would-be fighters in this state, who parade as boxers but in reality are a disgrace to the great game of self-defence.

Mrs. Albert Rossi is in Los Angeles, to spend some time visiting relatives in that city.

Jake Steckmeyer, contractor, is erecting a cottage at Dillon Beach for the Frecks of West El Verano.

## RUMORED INCREASED AUTO FEE AND GAS TAX

The following letter and correspondence has been received by Secretary Albert Elliot of the Valley of the Moon Chamber of Commerce from the San Francisco Down Town Association relative to the highway situation throughout California:

Road-making by the State of California is at a standstill and cannot be actively resumed unless ways and means of financing its continuance are authorized by the next Legislature. The State Highway Commission is destitute of funds other than a small amount remaining from the federal allotment, and just how the sum necessary to carry on its work can be procured is one of the most important questions to be decided at the Legislative session beginning early in January.

Students of the situation agree that at least \$200,000,000 would no more than suffice to complete the State highway system as now outlined. Even if bonds for that amount were voted, which is doubtful, it would be very difficult, if not impossible, to market them. Therefore the only alternative is to increase the tax on those who derive most benefit from well-built highways. Public sentiment throughout the State, as ascertained through a painstaking canvass by this committee, is strongly in favor of that plan, the great majority of motorists themselves approving it.

The problem would be fairly solved by adding one cent to the gasoline tax, increasing the automobile license fee from its present figure, \$3, to \$8 or even \$10, and levying a reasonable tax on heavier vehicles such as auto busses and trucks, which play most havoc with highway surface.

It is popular belief that all the money thus obtained should be placed at disposal of the State Highway Commission, as under the present laws the gasoline tax and the registration fees are divided between the State and the counties and the former's share can be used only for maintenance of completed roads, with not a single dollar for new construction. Under the proposed plan the operators of motor vehicles would pay for the building as well as for the upkeep of the roads they use.

Further road construction cannot be carried on until the State Highway Commission is provided with the money necessary to pay for it, and the only available means of procuring such funds is through action by the coming Legislature.

California has more than 1,200,000 licensed motor vehicles—more than are registered in any other State—yet they are taxed lower than in any other State. And although there has been a 47 per cent increase in motor traffic in California during the last two years nothing whatever has been done to cope with it.

Now the situation must be squarely faced. Are we going to provide the money to build highways or are we not? It is of utmost importance that we do, for the prosperity of any state is greatly dependent upon the extent and condition of its roads.

This committee would appreciate an expression from you in regard to this very important matter as it is desirable to ascertain just how many legislators elected from the bay district can be depended upon to promote highway development in accordance with the plan of nancing hereinbefore explained.

We favor raising, in addition to

the present taxation plan (which we believe provides sufficient money for highway maintenance and reconstruction) \$15,000,000 for new construction

T. P. ANDREWS,  
Chairman Highways Committee, Down Town Association, San Francisco.

## PURE BRED DAIRY BULL CAMPAIGN PLANS MADE

The plan of conducting the campaign will be sent to all the dairymen of the district in a letter. This letter will be sent out by the various creameries and other dairy plants in the district. The principal features will be assisting dairymen to secure good, pure bred animals which are free from tuberculosis. This work will be done between October 25 and November 30. Farm Adviser Boissevain reports that anyone wishing assistance in getting an animal or wishing assistance in disposing of one, should get in touch with the Farm Adviser in his respective county as soon as possible.

## CARD OF THANKS

We herewith express our most sincere thanks to friends, neighbors and lodge members for the kindness and sympathy accorded us in our recent bereavement, the loss of our beloved husband and father, the late Alexander McGill. To the Rebekahs and Native Daughters we feel deeply grateful and to all who sent floral tributes.

### NOTICE OF COMMISSIONER'S SALE OF REAL ESTATE

In the Superior Court of the State of California in and for the County of Sonoma.

Central Commercial and Savings Bank, a corporation, plaintiff, vs E. E. Jones and Jane E. Jones, husband and wife, and Mary McDevitt, Defendants.

Under and by virtue of a decree of foreclosure and an execution and order of sale issued out of the Superior Court aforesaid on the 7th day of October, 1924, in the above entitled action, wherein the said plaintiff obtained a judgment and decree of foreclosure against defendants E. E. Jones and Jane E. Jones for the sum of \$3323.55 and wherein said defendant and cross complainant Mary McDevitt obtained a judgment and decree of foreclosure against said defendants E. E. Jones and Jane E. Jones for the sum of \$628.28 on the 3rd day of Oct. 1924, which said decree has been entered in the records of said Court, I am commanded to sell at public auction all those certain lots, pieces or parcels of land, situate, lying and being in the County of Sonoma, State of California, and bounded and particularly described as follows to-wit:

Blocks One (1), Two (2), and Three (3) containing respectively Two and two hundredths (2.00) acres, four and nineteen hundredths (4.19) acres and four and nineteen hundredths (4.19) acres, as per map entitled, "Amended Map of the Town of El Verano, etc." recorded in the office of the County Recorder of said Sonoma County on the 23rd day of January, 1907. Together with all and singular the tenements, hereditaments and appurtenances therunto belonging or in any wise appertaining.

Notice is hereby given that on Monday, Nov. 3, 1924 at 1:30 o'clock p. m. on the front (Fourth Street) steps of the County Court House in the City of Santa Rosa, Sonoma County, Calif., I will, in obedience to said decree of foreclosure and execution and order of sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgments with costs and expenses of sale, to the highest and best bidder for cash.

Dated October 10, 1924.

A. M. JOHNSON, Commissioner.

First Publication Oct. 11, 1924
